Subject: A HUGE THANK YOU!!!

Good Afternoon Everyone!!

I wanted to email you all **a heartfelt THANK YOU!!** We started off a little rocky with busses arriving later than expected and we had to shorten visitations to programs. However, I can tell you based on the conversations that I had with students while they were eating lunch, the visits were thoroughly enjoyed and they felt the program enhanced their over all knowledge of their next educational steps!

We had over 250+ students visit your programs! They had fun and interacted with our HHS Division faculty and staff. We hope you found the visits enjoyable on your end as well!

We will be sending out a survey to the students and their chaperones/instructors to ask for their feedback on how what they liked, didn't like, what more information do they want, etc.

We would like to hear from you as well! If you can let me know how we can change this up for next Spring Career Fair Day or next Autumn CAP day, we would greatly appreciate knowing your thoughts. If you want to be anonymous, please feel free to type it out on a piece of paper and stick it under our door (UN 577) or let your Chairperson know!

Again, I would like to thank you so much for your participation in 2023 CAP Day! (Return after "C"!) Have a wonderful weekend!!

Kelly

PS. If you have pictures, will you email or Teams me the pictures so we can keep them in our archives! Thank you!
