Thank you all so much for participating in the Game of Life Columbus Promise event taking place tomorrow in the NH West lounge (by Career Services and Student Engagement and Belonging).

What to Bring:

- You will only need to bring your normal tabling items and have to talk about your program/department (think resource fair!).
- Hands-on, interactive activities are welcomed but not required! 😊

What to Expect:

- Students will receive a passport that has a “game of life” to do item associated with your table.
- Students have received a mystery job and are “completing” tasks to work through the hiring process.
 - Each table represents a task; you will only need to talk about your department/program and provide a sticker to their passport (we’ll provide the stickers! 😊). The sticker is how they “complete” that to-do item.
 - For example, the Dental Hygiene table will be where they “get a teeth whitening treatment for their new ID photo.” The sticker will count for this being completed...we do not expect that there will be whitening treatments! 😊
- Students will visit all of the tables, receive their sticker and candy, and submit their completed passport for a raffle.

Please let me know if you have any questions!!

Passport Card:

GAME OF LIFE

Congratulations! You have just received your mystery job and you have to balance personal, professional, and academic life to complete the hiring process. Keep track of the tables you visit. Once you have visited ALL the tables, turn in your card to be entered to win a raffle prize!

TO DO LIST:

-  Career Services - Get my mystery job and my top skills! 
-  Dental Hygiene - Get that whitening treatment for my new ID photo! 
-  Multi-Skilled Health - Complete my lab work for the new hire process! 
-  Vet Technology - Pick up my pet's prescription! 
-  Academic Advising - Run degree audit/grad app with my amazing advisor! 
-  Police Department - Complete my background check for the new job! 
-  OhioHealth - Complete my I-9, new hire process!
